GROCERY STORE SHOPPER CARDS

Linking to Ralphs is in-store:

1. When checking out, just say "Rancho" at the Michelson/University Ralphs, or ask the cashier at any Ralphs to use Rancho's scanbar code shown here to link you to Rancho.

2. In the items area of this transactions receipt you'll notice a single entry that signifies that the linkage occurred. Future receipts will have no indication that you are linked, even though you are. You do not need to re-link for every transaction.
3. The scanbar code does work to link your card for the remainder of the annual cycle. One linkage transaction is valid until August 31 of each year.
4. After September 1 of each year, follow steps 1-3 to re-link Ralphs to Rancho (scanbar code available on PTA website).

Linking to Albertsons is on-line, or via Survey Monkey¹:

1. With a recent store receipt in hand, go to www.albertsons.com/cp.
2. Click on the link "Shoppers login or register with your Preferred Savings Card first."
3. Enter the requested information.
4. Next click on "My Account" on the wooden signpost image. If Rancho already appears then you are already linked . . . thanks!
5. If not, then type "49000112402" as the Organizational ID.
6. Press "Add a Partner". You will see Rancho Middle School at 100%.
7. Click "Update Now."
8. Click back into "My Account" to verify that the update worked.
9. One linkage transaction is good for the entire annual cycle. This linkage is good until Albertsons performs a periodic system de-linking².
10. Should Albertsons perform a system de-linking, follow steps 1-8 to re-link Albertsons to Rancho.
11. If you have log-in problems, contact 800-696-6419 weekdays eastern time.

¹ Note: Parent can link to Albertsons via the Survey Monkey (fall registration). When parents provide complete information in the Albertsons section of the Survey Monkey, the Rancho PTA Retail Funding Coordinator will work with Albertsons to maintain linkage throughout the year.

² Albertsons did a complete system de-linking on Feb 28, 2009 after 10 years of no de-linking. Future de-linking dates are not known, and Albertsons will notify Rancho's PTA Retail Funding Coordinator ahead of time, who will then notify the Rancho community to re-link their Albertsons card.
